

# Alabama Colleges and Universities Admissions and Financial Aid Information

**Notes:**

1. A cell with "N/A" either means that the school does not have a set deadline OR that a deadline is not yet published on the school's website. Please follow up with the school to find the latest information.
2. A priority deadline such as the FAFSA Priority Deadline is not meant to indicate that the institution will not accept a FAFSA after the date indicated but rather that an application received by that date will be given the strongest consideration.
